Benefect Atomic Fusion Heavy Duty Degreaser + Deodorizer is a botanical, high performance cleaner. Strong enough for the heaviest greasy soils but safe to use around children, pets, and the chemically-sensitive. Atomic Fusion delivers superior penetration of the soils for easy and effective cleaning. Atomic Fusion also neutralizes malodors using natural essential oil compounds formulated to meet commercial and industrial needs.

What makes Atomic Fusion different from other degreasers? Atomic Fusion contains essential oil compounds that neutralize malodors and penetrates deep into soils to deliver extreme degreasing action.

Benefect Atomic Fusion Heavy Duty Degreaser + Deodorizer is ideal for: Heavy duty cleaning of surfaces & contents in fire & smoke damage restoration, sewage and storm clean up, trauma scenes, commercial kitchens, PPE, tools, automotive equipment, and other porous or non-porous surfaces that require cleaning and deodorizing with a commercial degreaser and deodorizer.
